TPI Scholarship Site

Scholarship Description

The Harrison Scholarship is a scholarship that aims to make college affordable to students who receive Catholic Schools Foundation (CSF) scholarship support. This scholarship program is interested in making college affordable for these families and helping students reach their full potential. Selected applicants are provided four-year, renewable scholarships to cover tuition, fees and educational expenses at a competitive four year college/university in the U.S. and flexible funding to support student's enrichment costs. Scholarship amounts will be determined based on the financial aid award package the student receives from the college they choose to attend.
