

# Ann Theodore Foundation Scholarship- New Hampshire

## PROGRAM GUIDELINES

*Applications must be submitted online by Monday May 2, 2022 by 5:00 pm*

The **Ann Theodore Foundation Scholarship- New Hampshire** opens the door to post-secondary education opportunities for youth and adults. This program is designed to help residents from Manchester, New Hampshire attend and graduate from post-secondary institutions, including two-year schools, trade schools, and four-year colleges. The program serves low-income high school seniors and adults who have a desire to attain a college degree. The program provides financial support, along with mentoring and guidance to help students achieve their dream of attaining a college degree.

If accepted into the program, students receive scholarships of up to \$25,000 annually, for up to four years, plus mentoring and funding for enrichment opportunities. The program is funded by the Ann Theodore Foundation and administered by The Philanthropic Initiative (TPI). This program is dedicated to making college affordable for low-income students regardless of age and helping students reach their full potential. The Ann Theodore Foundation believes in a world where all children and families have access to opportunities to achieve their goals, regardless of race or socioeconomic status.

### **Program Components**

- **Scholarship:** The program provides last-dollar scholarships of up to \$25,000 per year to the college the student plans to attend. Scholarships are renewable for up to four years provided the student remains in good academic standing with a minimum cumulative GPA of 2.5. Scholarship amounts are determined based on the financial aid package and other scholarships the student receives, along with the expectation that awardees will contribute toward the cost of attendance, and graduate from college with about \$10,000 in loans (approximately \$2,500 in subsidized loans per year).
- **Laptop:** Each student who is accepted into the program receives a laptop.
- **Mentoring:** Each student is paired with an adult mentor to provide advice and assistance with navigating the college experience.
- **Flexible funds:** Additional funds are available to students to support enriching experiences that help students achieve their academic and career goals.

## Applicant Criteria

- High school senior or adult resident of Manchester, New Hampshire, or graduate of a Manchester high school who is applying to attend or currently attending a two-year school, trade school, or four-year college (part-time or full-time) in 2022-2023
