

Leg Up Scholarship

2023 - 2024 Scholarship Guidelines

ABOUT

The Leg Up Scholarship is a scholarship program that aims to support students from Chelsea, East Boston, Revere, Lynn or Medford Massachusetts to excel in college and launch their careers. It is a unique scholarship program that provides flexible and individualized financial and social support to students to help them maximize their academic and social experiences in college and to achieve their long-term goals. Leg Up Scholars graduate from college prepared to take on life's challenges and opportunities and do so with limited to no student debt.

The program is funded by Doreen Portnoy Bilezikian, born in Chelsea MA, and administered by The Philanthropic Initiative.

THE AWARD

The Leg Up Scholarship program is not a typical scholarship - **we do not give tuition assistance**, but we **do** provide the following:

- Funding for typical expenses at college (money for books and supplies, travel to and from college, a laptop computer)
- Funding to make the college experience great (study abroad, internships, academic support, and enrichment)
- Mentoring support
- Back-end "scholarship" upon graduation (loan repayment of up to \$20,000) for students who meet the program requirements through graduation

The Leg Up Scholarship is an annual award that may be renewed for four years. We are committed to helping students graduate in 4 years and to maximize their college experience by supporting their personal and career goals. In return we expect students to:

- Work hard and dream big
- Maintain excellent grades
- Work during the summer to advance career development
- Nurture and support their fellow scholars
