

Thermo Fisher Scientific Scholarship 2023-24 - New Applicants Attending School in the US

TPI - Thermo Fisher

Scholarship Description

Thermo Fisher Scientific's mission is to enable its customers to make the world healthier, cleaner and safer. One way that it fulfills this mission is by being a socially responsible community partner and a promoter of academic excellence. As part of its corporate philanthropy strategy, it has established a merit and need based scholarship program for the children of full-time employees to encourage their pursuit of higher education and support their academic goals.

The Thermo Fisher Scientific Scholarship Program for Children of Employees is a competitive program that provides financial grants to eligible children who are pursuing a college degree. The program offers renewable scholarships covering up to four years of full-time undergraduate study leading to a bachelor's degree (or equivalent) at accredited post-secondary institutions in the United States or the United Kingdom.

Requirements

Qualifications:

- Applicants must be dependent children* of active, full-time employees of Thermo Fisher as of the date of the scholarship award. The employee must have been employed full-time by the company for six consecutive months prior to the application deadline. Children of career band thirteen (13) employees are not eligible for the program.
- Applicants must be pursuing, or planning to pursue, a bachelor's degree (or equivalent) at an accredited undergraduate college or university in the United States or the United Kingdom.
- Recipients must be scheduled to enroll, or already enrolled, full-time in the college or university for the upcoming academic year.

**Dependent children are defined as natural and legally adopted children or stepchildren living in the employee's household or primarily supported by the employee.*

Application Materials:

- Application Submitted Online
- Extra-Curricular Information or Resume
- Letter of Recommendation (from a teacher, guidance counselor, work supervisor, community leader, coach, or any other non-family member who knows the student well)
- Essay: A writing sample that reflects the student's personal history and aspirations for the future (e.g. college application essays or personal statement)
- Transcripts (High School and College)
- Financial Aid Award Letter

Instructions

When filling out your application, **read all questions and instructions carefully**. Please keep the following in mind:

Completing your Application:

- If you would like to download a blank copy of this application, please click on the **Print Question Legend** button at the top of the page.
- If you would like to download a copy of this application with your answers included, please click on the **Application Packet** button at the top of the page.
- If you would like to save your application to complete at a later date, please click the **Save as Draft** button at the bottom of the page. To return to your draft application, log in and click on your application under your contact information. It will be marked **Draft** until you submit it. Applications that are left in Draft mode are not eligible for review.
- Questions marked with an asterisk (*) are required. You cannot submit your application until all required questions are answered.

Submitting your Application:

- All attachments must be submitted in **pdf, doc, or docx** format.
- Once you **submit** your application, you will receive an email confirmation.

2023-24 Applications are due June 1st, 2023 at 11:59 pm EDT. Late applications will not be accepted and are not eligible for consideration.

If you are attending or planning to attend university in the United Kingdom, please **do not** complete this application. There is a new application for students attending university in the UK.

If you are a current scholarship recipient, you **do not** need to fill out this application, and will be emailed in late spring regarding the renewal process.

Questions can be addressed to ThermoFisher@tpi.org

Please preview your application before you submit it in order to make sure you have completed all required sections and that all uploads have been successfully transmitted. To preview your application, click "save as draft" at the bottom of this page. Then click "application packet" at the top of the page. **Once your application is submitted, you may view your application at any time by returning to your online account. However, you will not be able to make any changes.**

Letter of Recommendation - One Recommender Required

Third Party Email*

Please enter the email address of your reference below, then click "Compose Email" to send them an email asking them to be a reference. They will receive a second email from this system which includes a link with additional instructions. Inform your reference to check their spam folder if they do not receive these emails. Below is a sample message.

*Thank you for taking the time to be my reference for the Thermo Fisher Scholarship. You'll receive an email from "administrator@grantinterface.com" which includes a link providing instructions on how to upload your letter of recommendation to my application. The application is due by **June 1, 2023 11:59 PM EDT.***

NOTE: You are only required to submit 1 letter of recommendation for this scholarship program. You are not able to submit more than 1 letter. We cannot accept additional recommendations, and entering more than 1 email address will delay the process.

Your recommendation may be a letter of reference from a teacher, guidance counselor, or other adult.

Character Limit: 254

Thanks for taking the time to submit this information on the student's behalf. Your letter is not viewable by the applicant.

****Application deadline is Thursday, June 1, 2023 by 11:59 pm EDT****

 **Recommender Name***
